Questions:

1. Describe what you would like from participating in a farm internship, and what your goals are related to agriculture?
2. Much of what you will learn happens while we are out in the field. How do you feel about hands on learning?
3. Describe your leadership style.
4. What kind of work conditions suit you best? Do you prefer direct guidance or to work on your own? What do you expect from those who oversee you? What are your work rhythms like? How do you stay interested in your work and motivated to take initiative and to finish projects?
5. Please tell us something interesting about yourself (hobbies, pastimes, etc.).
6. Do you have any allergies, food restrictions, or physical limitations that might affect your ability to live in a rural setting and do farm work?
7. How do you typically communicate with others in a conflict situation or a situation that makes you uncomfortable?
8. The farm work is the focus of our community. How do you feel about working and living with the same community of people? How do you make sure your needs are met?
9. Animals are a part of our farm. How do you feel about animals on the farm?
10. Please provide a list of your work experience (agriculture and nonagriculture), both paid and volunteer.
11. Please provide a minimum of two references with contact information.
